

Section 4.20 [Reserved.]

Section 4.21 *Issuance of Additional Notes.*

Upon each exercise of the Initial Purchaser Option, in whole or in part, during the Exercise Period in accordance with the Purchase Agreement, the Company shall cause to be issued and authenticated, in accordance with the terms of the Purchase Agreement and Section 2.02 hereof, Additional Notes in such principal amount as has been exercised under the Initial Purchaser Option; *provided, however, that in no case shall the aggregate principal amount of Additional Notes issued upon all exercises of the Initial Purchaser Option exceed \$300.0 million.*

ARTICLE 5. SUCCESSORS

Section 5.01 *Merger, Consolidation, or Sale of Assets.*

The Company may not consolidate with or merge with or into any other Person or sell, assign, convey, transfer, or otherwise dispose of all or substantially all of its properties and assets as an entirety to any Person unless:

- (1) the Company is the surviving corporation; or
- (2) the Person formed by the consolidation or into which the Company is merged or the Person to which its properties and assets are so sold, assigned, conveyed, transferred, leased or otherwise disposed of, shall be a corporation organized and existing under the laws of the United States, any state within the United States or the District of Columbia and shall expressly assume, in a form reasonably satisfactory to the Trustee, all of the Company's obligations under this Indenture and the Notes; and
- (3) immediately after giving effect to the transaction, no Event of Default with respect to the Notes will have occurred and be continuing;

In addition, the Company may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

Notwithstanding the foregoing:

- (1) the Company may merge with an Affiliate solely for the purpose of reincorporating the Company in another jurisdiction; and
- (2) the Company and its Restricted Subsidiaries may sell, assign, transfer, lease, convey or otherwise dispose of assets between or among each other (including by way of merger),

and, in each case, no violation of this Section shall be deemed to have occurred as a consequence thereof.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Company in a transaction that is subject to, and

that complies with the provisions of, Section 5.01 hereof, the successor corporation formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to the "Company" shall refer instead to the successor corporation and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; *provided, however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale of all of the Company's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

ARTICLE 6. DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an "Event of Default":

- (1) default for 30 days in payment of any interest installment due and payable on the Notes;
- (2) default in payment of principal of the Notes and accrued interest at maturity;
- (3) default in payment of the Purchase Price, when the same becomes due and payable
- (4) default in payment of the Change in Control Purchase Price, when the same becomes due and payable;
- (5) material default in the performance of any other covenants or agreements in the Notes or this Indenture which default continues for 30 days after the date on which written notice of such default is given to the Company by the Trustee or to the Company and Trustee by the Holders of at least 25% in principal amount of the then outstanding Notes;
- (6) default by the Company under any instrument or instruments under which there is or may be secured or evidenced any of the Indebtedness of the Company (other than the Notes) having an outstanding principal amount of \$50,000,000 (or its equivalent in any other currency or currencies) or more, individually or in the aggregate, that has caused the holders thereof to declare such indebtedness to be due and payable prior to its Stated Maturity, unless such declaration has been rescinded within 30 days;
- (7) default by the Company in the payment of the principal of any bond, debenture, note or other evidence of the Company's Indebtedness, in each case for money borrowed, or in the payment of principal under any mortgage, indenture, agreement or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness of the Company for money borrowed, which default for payment of principal is individually or in an aggregate principal amount exceeding \$50,000,000 (or its equivalent in any other currency or currencies) when such indebtedness becomes due and payable (whether at maturity, upon redemption or acceleration or otherwise), if such default shall continue unremedied or unwaived for more than 30 days after the expiration of any grace period or extension of the time for payment applicable thereto; and

- (8) the Company, pursuant to or within the meaning of any Bankruptcy Law:
 - (a) commences a voluntary case;
 - (b) consents to the entry of an order for relief against it in an involuntary case;
 - (c) consents to the appointment of a custodian of it or for all or substantially all of its property;
 - (d) makes a general assignment for the benefit of its creditors; or
 - (e) admits in writing its inability to generally pay its debts as such debts become due; and
- (9) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (a) is for relief against the Company in an involuntary case;
 - (b) appoints a custodian of the Company or for all or substantially all of its property; or
 - (c) orders the winding up or liquidation of the Company;

and the order or decree remains unstayed and in effect for 60 consecutive days.

The Company shall give the Trustee, within 30 days after the occurrence thereof, written notice of any event which with the giving of notice or lapse of time or both would become an Event of Default described in clauses (5), (6) or (7) of this Section 6.01.

Section 6.02 *Acceleration.*

(a) In the case of an Event of Default specified in clauses (8) or (9) of Section 6.01 hereof, the issue price plus accrued and unpaid interest (and Liquidated Damages, if any) on the Notes will become immediately due and payable without any action on the part of the Trustee or any Holder.

(b) If any other Event of Default occurs and is continuing with respect to the Notes, either the Trustee, by Notice to the Company, or the registered Holders of at least 25% in aggregate principal amount of the Notes, by notice to the Company and the Trustee, may declare the issue price plus accrued and unpaid interest (and Liquidated Damages, if any) on the Notes to be due and payable immediately.

At any time after a declaration of acceleration, but before a judgment or decree for payment of money has been obtained, if all Events of Default with respect to the Notes have been cured or waived (other than the nonpayment of the issue price or accrued and unpaid interest (and Liquidated Damages, if any) on the Notes which has become due solely by reason of the declaration of acceleration), then the declaration of acceleration shall be automatically annulled and rescinded.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability; *provided* that the Trustee may take any other lawful action deemed proper by the Trustee that is not inconsistent with such direction.

Section 6.06 *Limitation on Suits.*

A Holder of a Note may pursue a remedy with respect to this Indenture or the Notes only if:

- (1) the Holder of a Note gives to the Trustee written notice of a continuing Event of Default;
- (2) the Holders of at least 25% in principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) such Holder of a Note or Holders of Notes offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and

(5) during such 60-day period, the Holders of a majority in principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with the request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7. TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture.

However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph (c) does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is conclusively determined by a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(g) In no event shall the Trustee be required to take notice of any default or breach hereof or any Event of Default hereunder, except for Events of Default specified in Section 6.01(1) and/or 6.01(2) hereof, unless and until the Trustee shall have received from a Holder of a Note or from the Company express written notice of the circumstances constituting the breach, default or Event of Default and stating that said circumstances constitute an Event of Default hereunder.

(h) If the Trustee is acting as Conversion Agent, Paying Agent and/or Registrar hereunder, the rights and protections afforded to the Trustee pursuant to this Article 7 will also be afforded to such Conversion Agent, Paying Agent and Registrar.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days after ascertaining it has such conflicting interest, apply to the SEC for permission to continue as trustee or resign to the extent and in the manner provided by, and subject to the provisions of, the TIA and this Indenture. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee shall mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Reports by Trustee to Holders of the Notes.*

(a) Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be

transmitted). The Trustee also shall comply with TIA § 313(b)(2) to the extent applicable. The Trustee shall also transmit by mail all reports as required by TIA § 313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes shall be mailed by the Trustee to the Company and filed by the Trustee with the SEC and each stock exchange on which the Notes are listed in accordance with TIA § 313(d). The Company shall promptly notify the Trustee when the Notes are listed on any stock exchange.

Section 7.07 *Compensation and Indemnity.*

(a) The Company shall pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company shall indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture (and any other Note Documents to which it is a party) against the Company (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

(c) The obligations of the Company under this Section 7.07 shall survive the satisfaction and discharge of this Indenture.

(d) To secure the Company's payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(8) or (9) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in principal amount of the then

outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Section 7.11 *Preferential Collection of Claims Against Company.*

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8.
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, at any time, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (2) the Company's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company (to the extent applicable) shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.12 and 4.16 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes shall thereafter be

deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) through 6.01(7) hereof shall not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in United States dollars, non-callable Government Securities, or a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, premium, if any, and interest on the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Company must specify whether such Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Company has delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that:

(A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(6) the Company must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any other creditors of the Company or others; and

(7) the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to the Company.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money,

and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Company.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9. AMENDMENT, SUPPLEMENT AND WAIVER.

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, the Company and the Trustee may amend or supplement this Indenture or the Notes without the consent of any Holder of a Note:

- (1) to cure any ambiguity, omission, defect or inconsistency;
- (2) to provide for the assumption of the Company's Obligations under this Indenture by a successor upon any merger, consolidation or asset transfer permitted under this Indenture;
- (3) to provide for uncertificated Notes in addition to or in place of certificated Notes or to provide for bearer Notes;
- (4) to comply with any requirement to effect or maintain the qualification of the indenture under the TIA;
- (5) to provide for the issuance of Additional Notes in accordance with the limitations set forth in Section 4.21;
- (6) to conform the text of the Indenture or the Notes to any provisions of the Description of the Notes section of the Offering Circular to the extent that such provision of the Description of the Notes section of the Offering Circular was intended to be a verbatim recitation of a provision of the Indenture or the Notes;
- (7) to add covenants that would benefit the Holders of Notes or to surrender any rights the Company has under this Indenture; or

(8) to make any change that does not adversely affect the rights of any Holder of the Notes, including, without limitation, changing any payment record dates as necessary to conform to the then current market practice.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental Indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Company in the execution of any amended or supplemental Indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental Indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Company and the Trustee may amend or supplement this Indenture and the Notes with the consent of the Holders of at least a majority in principal amount of the Notes (including, without limitation, Additional Notes, if any) then outstanding voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes).

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental Indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Company in the execution of such amended or supplemental Indenture unless such amended or supplemental Indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental Indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental Indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture or the Notes. However, without the consent of each Holder affected, an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the amount of Notes whose Holders must consent to an amendment, supplement or waiver;

- (2) reduce the rate of interest or change the time for payment of interest on the Notes;
- (3) reduce the issue price or change the stated maturity of the Notes;
- (4) make any change in any repurchase right to the detriment of such Holder;
- (5) make any change in any conversion right to the detriment of such Holder;
- (6) make payments on the Notes payable in currency or consideration other than as originally stated in the Notes;
- (7) make any change in Section 6.07 hereof;
- (8) make any change in Section 6.04 hereof or in the foregoing amendment and waiver provisions; or
- (9) waive a continuing default or Event of Default regarding any payment on the Notes.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes shall be set forth in a amended or supplemental Indenture that complies with the TIA as then in effect.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee shall sign any amended or supplemental Indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amendment or supplemental Indenture until the Board of Directors approves it. In executing any amended or supplemental indenture, the Trustee shall be entitled

to receive and (subject to Section 7.01 and 7.02 hereof) shall be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental Indenture is authorized or permitted by this Indenture.

ARTICLE 10. CONVERSION

Section 10.01 *Conversion Privilege.*

(a) Subject to the provisions of this Article 10, a Holder of a Note may convert such Note into cash and Common Stock equal to the Conversion Value (as defined below) in accordance with Section 10.14, if any of the following conditions are satisfied:

(1) during any calendar quarter (the "*Quarter*") commencing after the date of issuance of the Notes, if the Common Stock Price for at least 20 Trading Days in the period of 30 consecutive Trading Days ending on the last Trading Day of the Quarter immediately preceding the Quarter in which the conversion occurs (appropriately adjusted to take into account the occurrence, during such 30 consecutive Trading Day period, of any event requiring adjustment of the Conversion Price under this Indenture) is more than 120% of the Conversion Price on such 30th Trading Day;

(2) the Note has been called for redemption by the Company pursuant to Section 3.07 and the redemption has not yet occurred, so long as the Holder surrenders such Note prior to the close of business on the date that is two Business Days prior to the applicable redemption date, even if the Note is not otherwise exchangeable at such time;

(3) (A) the conversion of such Note occurs during the five Trading Day period immediately after a period of five consecutive Trading Days in which the Trading Price for each such Trading Day in such period was less than 95% of the product of (x) the Common Stock Price on such Trading Day multiplied by (y) the Conversion Rate on such Trading Day.

(B) Notwithstanding the foregoing, if on the date of any conversion pursuant to Section 10.01(a)(3)(A), the Common Stock Price on such date is greater than the Conversion Price on such date but less than 120% of the Conversion Price on such date, then the Conversion Value a Holder of Notes will be entitled to receive will be equal to the principal amount of the Notes held by such Holder plus accrued and unpaid interest (and Liquidated Damages, if any) as of the Conversion Date (such a conversion, a "*Principal Value Conversion*") and the number of Net Shares (and any cash in lieu of fractional shares) to be delivered upon a Principal Value Conversion will be determined in accordance with Section 10.14; and *provided further* that, in place of the Five Day Average Closing Stock Price, such number of Net Shares will be calculated using an amount equal to the greater of (i) the Conversion Price on the Conversion Date and (ii) the Common Stock Price on the Conversion Date;

(4) (i) a distribution to all or substantially all holders of Common Stock of rights, warrants or options to subscribe for or purchase, for a period expiring less than 60 days after such distribution, shares of Common Stock at a price less than the Common Stock Price on the Trading Day immediately preceding the date of declaration of such distribution or (ii) a distribution to all or substantially all holders of Common Stock evidences of Company indebtedness, rights or warrants to purchase or subscribe for Capital Stock or other securities of the Company, cash or assets, which distribution has a per share value that exceeds 12.5% of the Common Stock Price

on the Trading Day immediately preceding the declaration date of such distribution *provided that*, the Holder shall have no right to convert any Note pursuant to Section 10.01(c) hereof if the Holder of a Note otherwise participates in the issuance or distribution described in this Section 10.01(a)(4) without conversion of such Holder's Notes; or

(5) (i) the Company is party to a consolidation, merger, share exchange, sale of all or substantially all of its assets or other similar transaction pursuant to which the Common Stock is subject to conversion into shares of stock (other than Common Stock), other securities or property (including cash) subject to Section 10.11 and (ii) the conversion of such Note occurs at any time from and after the date that is 15 days prior to the date of the anticipated effective time of such transaction until and including the date that is 15 days after the actual effective date of such transaction; *provided that* if such conversion occurs after the effective date of such transaction, the Holder will receive on conversion the consideration determined in accordance with Section 10.11.

(b) In the case of Section 10.01(a)(3), the Bid Solicitation Agent shall have no obligation to determine the Trading Price of the Notes unless the Company has requested such determination in writing, and the Company shall have no obligation to make such request unless a Holder of the Notes provides the Company with reasonable evidence that the Trading Price of the Notes on any date would be less than 95% of the product of (x) the Common Stock Price on such date and (y) the Conversion Rate then in effect. Upon receipt of such reasonable evidence, the Company shall instruct the Bid Solicitation Agent in writing to determine the Trading Price beginning on the next Trading Day and on each successive Trading Day until the Trading Price of the Notes is greater than or equal to 95% of the product of the Common Stock Price and the Conversion Rate. Neither the Trustee nor the Conversion Agent shall be under any duty or obligation to make the calculations described in Section 10.01(a)(3) hereof or to determine whether the Notes are convertible pursuant to such section. The Company shall make the calculations described in Section 10.01(a)(3) hereof, using the Trading Price of the Notes provided by the Bid Solicitation Agent and will advise the Trustee (or Conversion Agent, as the case may be) within a commercially reasonable time prior to the Conversion Date (and, in any event, no later than three Business Days prior to the Conversion Date) of any determination of the Trading Price of the Notes.

(c) In the case of the foregoing Sections 10.01(a)(4)(i) and 10.01(a)(4)(ii), the Company shall cause a notice of such distribution to be filed with the Trustee and the Conversion Agent and to be mailed to each Holder of Notes no later than 20 days prior to the Ex-Dividend Date for such distribution. Once the Company has given such notice, Holders may surrender their Notes for conversion at any time thereafter until the earlier of the close of business on the Business Day prior to the Ex-Dividend Date or the Company's announcement that such distribution will not take place; *provided that*, the Holder shall have no right to convert any Note pursuant to this Section 10.01(c) if the Holder of a Note otherwise participates in the distribution described in either Section 10.01(a)(4)(i) or 10.01(a)(4)(ii) without conversion of such Holder's Notes. The "*Ex-Dividend Date*" for any such distribution means the date immediately prior to the commencement of "ex-dividend" trading for such distribution on The New York Stock Exchange or such other national securities exchange or The Nasdaq Stock Market or similar system of automated dissemination of quotations of securities prices on which the Common Stock is then listed or quoted.

(d) A Holder may convert a portion of a Note equal to \$1,000 or any integral multiple thereof. Provisions of this Indenture that apply to conversion of all of a Note also apply to conversion of a portion of a Note. If a Note is called for redemption pursuant to Article 3, in order to convert such Note, the Holder must deliver the Note to the Conversion Agent (or, if the Note is held in book-entry form, complete and deliver to the Depositary appropriate instructions in accordance with the Applicable Procedures) at any time prior to the close of business on the day that is two Business Days prior to the

applicable redemption date for such Note (unless the Company shall default in paying the Purchase Price when due, in which case the conversion right shall terminate on the date such Default is cured and such Note is redeemed). A Note in respect of which a Holder has delivered a Purchase Notice pursuant to Section 3.09 exercising the option of such Holder to require the Company to repurchase such Note may be converted only if such Purchase Notice is withdrawn by a written notice of withdrawal delivered to the Paying Agent prior to the close of business on the Purchase Date in accordance with Section 3.11. A Note in respect of which a Holder has delivered a Change in Control Purchase Notice pursuant to Section 3.10 may not be converted unless such Change in Control Purchase Notice is deemed withdrawn pursuant to Section 3.11.

(e) A Holder of Notes is not entitled to any rights of a holder of Common Stock until, and to the extent that, such Holder has converted its Notes into Common Stock.

Section 10.02 *Conversion Procedure.*

(a) To convert a Note, a Holder must satisfy the requirements of this Article 10 and (i) complete and manually sign the irrevocable conversion notice on the back of the Note and deliver such notice to the Conversion Agent, (ii) surrender the Note to the Conversion Agent, (iii) furnish appropriate endorsements and transfer documents if required by the Registrar or the Conversion Agent, (iv) pay any transfer or other tax, if required by Section 10.03 and/or (v) if the Note is held in book-entry form, complete and deliver to the Depositary appropriate instructions pursuant to the Applicable Procedures. The later of (x) the date on which the Holder satisfies all of the foregoing requirements and (y) the Determination Date is the "*Conversion Date.*" As soon as practicable after the Conversion Date and in any event within four Business Days thereof, the Company shall deliver to the Holder through the Conversion Agent (1) cash in the amount calculated in accordance with Section 10.14 and (2) either (A) a certificate for or (B) a book-entry notation of the number of whole shares of Common Stock issuable upon the conversion and cash in lieu of any fractional shares pursuant to Section 10.14.

(b) The Person in whose name the Note is registered shall be deemed to be a stockholder of record on the Conversion Date; *provided* that no surrender of a Note on any date when the stock transfer books of the Company shall be closed shall be effective to constitute the Person or Persons entitled to receive the shares of Common Stock upon such conversion as the record holder or holders of such shares of Common Stock on such date, but such surrender shall be effective to constitute the Person or Persons entitled to receive such shares of Common Stock as the record holder or holders thereof for all purposes at the close of business on the next succeeding day on which such stock transfer books are open (subject to the provisions of the next paragraph of this Section 10.02); *provided* that such conversion shall be at the Conversion Price in effect on the date that such Note shall have been surrendered for conversion, as if the stock transfer books of the Company had not been closed. Upon conversion of a Note, such Person shall no longer be a Holder of such Note.

(c) No payment or adjustment will be made for accrued interest (including Liquidated Damages, if any), on a converted Note or for dividends or distributions on shares of Common Stock issued upon conversion of a Note (*provided* that the shares of Common Stock received upon conversion of Notes shall continue to accrue Liquidated Damages, as applicable, in accordance with the Registration Rights Agreement and shall be entitled to receive, at the next interest payment date, any accrued but unpaid Liquidated Damages with respect to the converted Notes), but if any Holder surrenders a Note for conversion between the record date for the payment of an installment of interest and the next interest payment date, then, notwithstanding such conversion, the interest (including Liquidated Damages, if any), payable on such interest payment date shall be paid to the Holder of such Note on such interest payment date. In such event, such Note, when surrendered for conversion, must be accompanied by delivery of a check payable to the Conversion Agent in an amount equal to the interest (including Liquidated Damages,

if any), payable on such interest payment date on the portion so converted. If such payment does not accompany such Note, the Note shall not be converted; *provided* that no such check shall be required if such Note has been called for redemption on a redemption date within the period between and including such record date and such interest payment date, or if such Note is surrendered for conversion on the interest payment date. If the Company defaults in the payment of interest (including Liquidated Damages, if any), payable on the interest payment date, the Conversion Agent shall repay such funds to the Holder.

(d) Upon surrender of a Note that is converted in part, the Company shall execute, and the Trustee shall, upon receipt of an Authentication Order, authenticate and deliver to the Holder, a new Note equal in principal amount to the unconverted portion of the Note surrendered.

Section 10.03 *Taxes on Conversion.*

If a Holder submits a Note for conversion, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of shares of Common Stock upon the conversion. However, the Holder shall pay any such tax which is due because the Holder requests the shares to be issued in a name other than the Holder's name. The Conversion Agent may refuse to deliver the certificates representing the shares of Common Stock being issued in a name other than the Holder's name until the Conversion Agent receives a sum sufficient to pay any tax which will be due because the shares are to be issued in a name other than the Holder's name. Nothing herein shall preclude any income tax withholding required by law or regulations.

Section 10.04 *Company to Provide Stock.*

The Company has reserved shares of Common Stock to permit delivery of shares of Common Stock upon conversion of the Notes up to an assumed Five Day Average Closing Stock Price, and from time to time as may be necessary shall reserve out of its authorized but unissued shares of Common Stock a sufficient number of additional shares of Common Stock to permit delivery of shares of Common Stock upon the conversion of the Notes in full.

All shares of Common Stock delivered upon conversion of the Notes shall be newly issued shares or treasury shares, shall be duly and validly issued and fully paid and nonassessable, and shall be free from preemptive rights and free of any lien or adverse claim. The Company will endeavor promptly to comply with all federal and state securities laws regulating the offer and delivery of shares of Common Stock upon conversion of Notes, if any, and will list or cause to have quoted such shares of Common Stock on each national securities exchange or in the over-the-counter market or such other market on which the shares of Common Stock are then listed or quoted.

Section 10.05 *Adjustment of Conversion Price.*

The conversion price (the "*Conversion Price*") initially shall be that price set forth in paragraph 9 of the Notes, but shall be adjusted (without duplication) from time to time by the Company as follows:

(a) In case the Company shall pay a dividend or make a distribution on the Common Stock payable exclusively in Common Stock, the Conversion Rate in effect at the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such dividend or other distribution shall be increased by multiplying such Conversion Rate by a fraction of which the denominator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination and the numerator shall be the sum of (i) such number of shares and (ii)

the total number of shares constituting such dividend or other distribution, such increase to become effective immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this paragraph (a), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company. In the event that such dividend or distribution is not so paid or made, the Conversion Price shall again be adjusted to be the Conversion Price which would then be in effect if such dividend or distribution had not occurred.

(b) In case the Company shall pay or make a dividend or other distribution on its Common Stock consisting exclusively of, or shall otherwise issue to all holders of its Common Stock, rights, warrants or options, in each case entitling the holders thereof to subscribe for or purchase shares of Common Stock at a price per share less than the Market Price per share of the Common Stock on the date fixed for the determination of stockholders entitled to receive such rights, warrants or options, the Conversion Rate in effect at the opening of business on the day following the date fixed for such determination shall be increased by multiplying such Conversion Rate by a fraction of which the denominator shall be the sum of (i) the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus (ii) the number of shares of Common Stock which the aggregate of the offering price of the total number of shares of Common Stock so offered for subscription or purchase would purchase at such Market Price and the numerator shall be the sum of (i) the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus (ii) the number of shares of Common Stock so offered for subscription or purchase, such increase to become effective immediately after the opening of business on the day following the date fixed for such determination; *provided, however*, that no adjustment shall be made if Holders of the Notes may participate in the transaction on a basis and with notice that the Company's Board of Directors deems to be fair and appropriate. To the extent that rights are not so issued or shares of Common Stock are not so delivered after the expiration of such rights, warrants or options, the Conversion Rate shall be readjusted to the Conversion Rate which would then be in effect if such date fixed for the determination of stockholders entitled to receive such rights, warrants or options, had not been fixed. For the purposes of this paragraph (b), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company.

(c) In case the Company shall declare a cash dividend or distribution to all or substantially all of the holders of Common Stock, the Conversion Price shall be decreased so that the Conversion Price shall equal the price determined by multiplying the Conversion Price in effect immediately prior to the record date for such dividend or distribution by a fraction,

(i) the numerator of which shall be the average of the Common Stock Prices for the three consecutive Trading Days ending on the date immediately preceding the record date for such dividend or distribution (the "*Pre-Dividend Sale Price*"), minus the full amount of such cash dividend or distribution, to the extent payable in cash, applicable to one share of Common Stock, and

(ii) the denominator of which shall be the *Pre-Dividend Sale Price*,

such adjustment to become effective immediately after the record date for such dividend or distribution; *provided*, that no adjustment to the Conversion Price or the ability of a Holder of a Note to convert will be made pursuant to this Section 10.05(c) if the Company provides that Holders of Notes will participate in such cash dividend or distribution on an as-converted basis without conversion; *provided further*, that if the numerator of the foregoing fraction is less than \$1.00 (including a negative amount), then in lieu of the foregoing adjustment, adequate provision shall be made so that each Holder shall have the right to receive upon conversion, in addition to the Common Stock issuable upon such conversion (and any cash in lieu of fractional shares), the amount of cash such Holder would have received had such Holder converted its Note immediately prior to the record date for such dividend or distribution. If such dividend

or distribution is not so paid or made, the Conversion Price shall be adjusted to the Conversion Price that would then be in effect if such dividend or distribution had not been declared.

(d) Subject to the last sentence of this paragraph (d), in case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock evidences of its indebtedness, shares of any class or series of Capital Stock, cash or assets (including securities, but excluding any rights, warrants or options referred to in paragraph (b) of this Section 10.05, any dividend or distribution paid exclusively in cash and any dividend or distribution referred to in paragraph (a) of this Section 10.05), the Conversion Rate shall be increased so that the same shall equal the price determined by multiplying the Conversion Rate in effect immediately prior to the effectiveness of the Conversion Rate increase contemplated by this paragraph (d) by a fraction of which the denominator shall be the Market Price per share of the Common Stock on the date fixed for the determination of stockholders entitled to receive such distribution (the "Reference Date") less the Fair Market Value, on the Reference Date, of the portion of the evidences of indebtedness, shares of capital stock, cash and/or assets so distributed applicable to one share of Common Stock and the numerator shall be such Market Price per share of the Common Stock, such increase to become effective immediately prior to the opening of business on the day following the Reference Date, *provided* that if the Fair Market Value of the portion of the evidences of indebtedness, shares of capital stock, cash and/or assets so distributed applicable to one share of Common Stock shall be less than the Market Price per share of Common Stock, no adjustment shall be made; and *provided, further*, that no adjustment shall be made if all Holders of Notes are entitled to participate in such transactions. In the event that such dividend or distribution is not so paid or made, the Conversion Rate shall again be adjusted to be the Conversion Rate which would then be in effect if such dividend or distribution had not occurred. For purposes of this paragraph (d), any dividend or distribution that includes shares of Common Stock or rights, warrants or options to subscribe for or purchase shares of Common Stock shall be deemed instead to be (i) a dividend or distribution of the evidences of indebtedness, shares of Capital Stock, cash and/or assets other than such shares of Common Stock or such rights or warrants (making any Conversion Rate increase required by this paragraph (d)) immediately followed by (ii) a dividend or distribution of such shares of Common Stock or such rights, warrants or options (making any further Conversion Rate increase required by paragraph (a) or (b) of this Section 10.05), except any shares of Common Stock included in such dividend or distribution shall not be deemed "outstanding at the close of business on the date fixed for such determination" within the meaning of paragraph (a) of this Section 10.05.

(e) In case outstanding shares of Common Stock shall be subdivided into a greater number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the Business Day following the day upon which such subdivision becomes effective shall be proportionately increased and, conversely, in case outstanding shares of Common Stock shall each be combined into a smaller number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately reduced, such increase or reduction, as the case may be, to become effective immediately after the opening of business on the Business Day following the day upon which such subdivision or combination becomes effective.

(f) In case the Company pays to holders of Common Stock in respect of a tender or exchange offer, other than an odd-lot offer, by the Company or any of its Subsidiaries for Common Stock to the extent that the offer involves aggregate consideration that, together with (1) any cash and the Fair Market Value of any other consideration payable in respect of any tender offer by the Company or any of its Subsidiaries for shares of Common Stock consummated within the preceding 12 months not triggering a Conversion Rate adjustment and (2) all-cash distributions to all or substantially all holders of the Company's Common Stock made within the preceding 12 months not triggering a Conversion Rate adjustment, exceeds an amount equal to 12.5% of the market capitalization of Common Stock on the expiration date of the tender offer, the Conversion Rate shall be increased so that the same shall equal the

price determined by multiplying the Conversion Rate in effect immediately prior to the effectiveness of the Conversion Rate increase contemplated by this Section 10.05(f) by a fraction of which the denominator shall be the number of shares of Common Stock outstanding (including any tendered or exchanged shares) at the last time tenders of exchanges may be made pursuant to such tender or exchange offer (the "Expiration Time") multiplied by the Market Price per share of the Common Stock on the Trading Day next succeeding the Expiration Time and the numerator shall be the sum of (x) the Fair Market Value (determined as aforesaid) of the aggregate consideration payable to stockholders based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of all shares validly tendered or exchanged and not withdrawn as of the Expiration Time (the shares deemed so accepted, up to any such maximum, being referred to as the "Purchased Shares") and (y) the product of the number of shares of Common Stock outstanding (less any Purchased Shares) at the Expiration Time and the Market Price per share of the Common Stock on the Trading Day next succeeding the Expiration Time, such increase to become effective immediately prior to the opening of business on the Business Day following the Expiration Time.

In any case in which this Section 10.05 shall require that an adjustment be made immediately following a record date established for purposes of this Section 10.05, the Company may elect to defer (but only until five Business Days following the filing by the Company with the Trustee of the certificate described in Section 10.09) issuing to the holder of any Note converted after such record date the shares of Common Stock issuable upon such conversion over and above the shares of Common Stock issuable upon such conversion only on the basis of the Conversion Price prior to adjustment; and, in lieu of the shares the issuance of which is so deferred, the Company shall issue or cause its transfer agents to issue due bills or other appropriate evidence of the right to receive such shares.

Section 10.06 *When No Adjustment Required.*

No adjustment of the Conversion Price shall be made:

- (a) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in shares of Common Stock under any plan,
- (b) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of the Company,
- (c) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security outstanding as of the date hereof,
- (d) upon the issuance of any rights, any distribution of separate certificates representing the rights, any exercise or redemption of any rights or any termination or invalidation of the rights, pursuant to the Company's stockholders rights plan, or
- (e) for a change in the par value or no par value of the shares of Common Stock.

There shall also be no adjustment of the Conversion Rate in case of the issuance of any Common Stock (or securities convertible into or exchangeable for Common Stock), except as specifically described above.

Section 10.07 *When Adjustment May Be Deferred.*

No adjustment in the Conversion Price need be made unless the adjustment would require an increase or decrease of at least 1% in the Conversion Price (other than an adjustment described in Section 10.05(f)). Any adjustments that are not made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Article 10 shall be made to the nearest cent, with one-half cent rounded up, or to the nearest 1/1,000th of a share, with 1/500th of a share being rounded up, as the case may be.

Section 10.08 *Successive Adjustments.*

After an adjustment to the Conversion Price under this Article 10, any subsequent event requiring an adjustment under this Article 10 shall cause an adjustment to the Conversion Rate as so adjusted.

Section 10.09 *Notice of Adjustment.*

Whenever the Conversion Price is adjusted, the Company shall promptly mail to Holders of Notes a notice of the adjustment and concurrently file with the Trustee and the Conversion Agent such notice and a certificate from the Company's independent public accountants briefly stating the facts requiring the adjustment and the manner of computing such adjustment. The certificate shall be conclusive evidence that such adjustment is correct. Neither the Trustee nor any Conversion Agent shall be under any duty or responsibility with respect to any such notice and certificate (or the receipt of such notice and certificate or with the knowledge of any adjustment absent such notice and certificate) except to exhibit the same to any Holder desiring inspection thereof.

Section 10.10 *Notice of Certain Transactions.*

The Company shall mail to Holders of Notes and file with the Trustee and/or the Conversion Agent a notice stating the proposed record date for a dividend or distribution or the proposed effective date of a subdivision, combination, reclassification, consolidation, merger, binding share exchange, transfer, liquidation or dissolution, if any of the following occur:

- (a) the Company takes any action that would require an adjustment in the Conversion Rate pursuant to Section 10.05 (unless no adjustment is to occur pursuant to Section 10.06); or
- (b) the Company takes any action that would require a supplemental indenture pursuant to Section 10.11; or
- (c) there is a liquidation or dissolution of the Company.

The Company shall file and mail such notice at least 15 days before the applicable date of any such transaction. Failure to file or mail the notice or any defect in it shall not affect the validity of the transaction.

Section 10.11 *Effect of Reclassification, Consolidation, Merger, Share Exchange or Sale on Conversion Privilege.*

If any of the following shall occur: (i) any reclassification or change of outstanding shares of Common Stock (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination); (ii) any consolidation, combination, merger or share exchange to which the Company is a party other than a merger in which the Company is the

continuing corporation and which does not result in any reclassification of, or change (other than a change in name, or par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination) in, outstanding shares of Common Stock; or (iii) any sale or conveyance of all or substantially all of the assets of the Company; then the Company, or such successor or purchasing corporation, as the case may be, shall, as a condition precedent to such reclassification, change, consolidation, merger, share exchange, sale or conveyance, execute and deliver to the Trustee a supplemental indenture providing that the Holder of each Note then outstanding shall have the right to convert such Note into the kind and amount of shares of Capital Stock and other securities and property (including cash) receivable upon such reclassification, change, consolidation, merger, share exchange, sale or conveyance by a holder of the number of shares of Common Stock deliverable upon conversion of such Note immediately prior to such reclassification, change, consolidation, merger, share exchange, sale or conveyance. Such supplemental indenture shall provide for adjustments of the Conversion Price which shall be as nearly equivalent as may be practicable to the adjustments of the Conversion Price provided for in this Article 10. If, in the case of any such consolidation, merger, share exchange, sale or conveyance, the stock or other securities and property (including cash) receivable thereupon by a holder of Common Stock includes shares of Capital Stock or other securities and property of a corporation other than the successor or purchasing corporation, as the case may be, in such consolidation, merger, share exchange, sale or conveyance, then such supplemental indenture shall also be executed by such other corporation and shall contain such additional provisions to protect the interests of the Holders of the Notes as the Board of Directors of the Company shall reasonably consider necessary by reason of the foregoing. The provision of this Section 10.11 shall similarly apply to successive consolidations, mergers, share exchanges, sales or conveyances. Notwithstanding the foregoing, a distribution by the Company to all or substantially all holders of its Common Stock for which an adjustment to the Conversion Price or provision for conversion of the Notes may be made pursuant to Section 10.05 shall not be deemed to be a sale or conveyance of all or substantially all of the assets of the Company for purposes of this Section 10.11.

In the event the Company shall execute a supplemental indenture pursuant to this Section 10.11, the Company shall promptly file with the Trustee an Opinion of Counsel stating that such supplemental indenture is authorized or permitted by this Indenture and an Officer's Certificate briefly stating (a) the reasons therefor, (b) the kind or amount of shares of stock or securities or property (including cash) receivable by Holders of the Notes upon the conversion of their Notes after any such reclassification, change, consolidation, merger, share exchange, sale or conveyance, (c) any adjustment to be made with respect thereto and (d) that all conditions precedent have been complied with.

Section 10.12 *Trustee's Disclaimer.*

The Trustee has no duty to determine when an adjustment under this Article 10 should be made, how it should be made or what such adjustment should be made, but may accept as conclusive evidence of the correctness thereof, and shall be protected in relying upon, the Officer's Certificate with respect thereto, which the Company is obligated to file with the Trustee pursuant to Section 10.09. The Trustee shall not be accountable for and makes no representation as to the validity or value of any securities or assets issued upon conversion of Notes, and the Trustee shall not be responsible for the Company's failure to comply with any provisions of this Article 10. Each Conversion Agent (other than the Company or an Affiliate of the Company) shall have the same protection under this Section 10.12 as the Trustee.

The Trustee shall not be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture executed pursuant to Section 10.11, but may accept as conclusive evidence of the correctness thereof, and shall be protected in relying upon, the Officer's Certificate with respect thereto, which the Company is obligated to file with the Trustee pursuant to Section 10.11 of this Indenture.

Section 10.13 *Voluntary Reduction.*

The Company from time to time may decrease the Conversion Price by any amount at any time for at least 20 days, so long as the decrease is irrevocable during such 20-day period. Whenever the Conversion Price is decreased, the Company shall mail to Holders of Notes and file with the Trustee and the Conversion Agent a notice of the decrease. The Company shall mail the notice at least 15 days before the date the decreased Conversion Price takes effect. The notice shall state the decreased Conversion Price and the period during which it will be in effect. A voluntary decrease of the Conversion Price does not change or adjust the Conversion Price otherwise in effect for purposes of Section 10.14

Section 10.14 *Conversion Value of Notes Tendered.*

(a) Subject to certain exceptions described in Sections 10.01(a)(3) and 10.01(a)(4), Holders tendering the Notes for conversion shall be entitled to receive, upon conversion of such Notes, cash and shares of Common Stock, the value of which (the "*Conversion Value*") shall be equal to the product of:

(1) (A) the aggregate principal amount of Notes to be converted divided by 1,000 multiplied by (B) the Conversion Rate; and

(2) the average of the Common Stock Price for the five consecutive Trading Days (appropriately adjusted to take into account the occurrence during such period of stock splits and similar events) including and immediately following the second Trading Day following the day the Notes are tendered for conversion (the "*Five Day Average Closing Stock Price*"); provided that, if the shares of Common Stock are not listed on The New York Stock Exchange, then the Five Day Average Closing Stock Price shall be determined by the Company by reference to the Common Stock Price as reported by NASDAQ.

(b) Subject to certain exceptions described below and under Sections 10.01(a)(3) and 10.01(a)(4), the Company shall deliver the Conversion Value to converting holders as follows:

(1) an amount in cash (the "*Principal Return*") equal to the lesser of (a) the aggregate Conversion Value of the Notes to be converted and (b) the aggregate principal amount of the Notes to be converted;

(2) if the aggregate Conversion Value of the Notes to be converted is greater than the aggregate Principal Return of the Notes to be converted, an amount in shares (the "*Net Shares*"), determined as set forth below, equal to the difference between such aggregate Conversion Value and such aggregate Principal Return (the "*Net Share Amount*"); and

(3) an amount paid in cash, determined as set forth below, for any fractional shares of Common Stock.

The number of Net Shares to be paid shall be determined by dividing the Net Share Amount by the Five Day Average Closing Stock Price. Holders of Notes will not receive a fractional share upon conversion of a Note. Instead, the Holder will receive cash for the value of the fractional share. The cash payment for fractional shares shall be based on the Five Day Average Closing Stock Price.

The Conversion Value, Principal Return, number of Net Shares and Net Share Amount shall be determined by the Company at the end of the fifth consecutive Trading Day including and immediately

following the second Trading Day after the day the Notes are tendered for conversion (the "Determination Date").

(c) The Company shall pay the Principal Return and cash for fractional shares and deliver the Net Shares, if any, as promptly as practicable after the Conversion Date, but in no event later than four Business Days thereafter. Delivery of the Principal Return, Net Shares and cash in lieu of fractional shares shall be deemed to satisfy the Company's obligation to pay the principal amount of the Notes, including accrued interest and Liquidated Damages, if any, payable on the Notes, except as described below. Accrued interest shall be deemed paid in full rather than canceled, extinguished or forfeited. The Company shall not adjust the Conversion Price to account for the accrued interest. Nonetheless, if Notes are converted after a regular record date and prior to the opening of business on the next interest payment date, including the date of maturity, Holders of such Notes, at the close of business on the next regular record date shall receive the interest (and Liquidated Damages, if any) payable on such Notes on the corresponding interest payment date notwithstanding the conversion.

(d) If an Event of Default, as described under Section 6.01 of this Indenture has occurred and is continuing (other than a Default in a cash payment upon conversion of the Notes), the Company may not pay cash upon conversion of any Notes (other than cash in lieu of fractional shares) and instead will make payment only through the delivery of shares of Common Stock. The number of shares of Common Stock to be delivered will be equal to (A) the aggregate principal amount of Notes to be converted divided by 1,000 multiplied by (B) the Conversion Rate.

(e) Neither the Trustee nor the Conversion Agent has any duty to determine or calculate the Conversion Value, Principal Return, number of Net Shares, the Net Share Amount of any other computation required under this Article 10, all of which shall be determined by the Company (or the Bid Solicitation Agent, as the case may be) in accordance with the provisions of this Indenture and the Trustee and Conversion Agent shall not be under any responsibility to determine the correctness of any such determinations and/or calculations and may conclusively rely on the correctness thereof.

ARTICLE 11. SATISFACTION AND DISCHARGE

Section 11.01 *Satisfaction and Discharge.*

This Indenture shall be discharged and shall cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated under the Original Indenture and this Indenture (except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise or shall become due and payable within one year and the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as shall be sufficient without consideration of any reinvestment of interest, to pay and

discharge the entire indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(2) no Default or Event of Default has occurred and is continuing on the date of such deposit or shall occur as a result of such deposit and such deposit shall not result in a breach or violation of, or constitute a default under, any other instrument to which the Company is a party or by which the Company is bound;

(3) the Company has paid or caused to be paid all sums payable by it under this Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section, the provisions of Section 11.02 and Section 8.06 shall survive. In addition, nothing in this Section 11.01 shall be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06, all money deposited with the Trustee pursuant to Section 11.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01; *provided* that if the Company has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release

are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 12.08 *Governing Law.*

THE INTERNAL LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE AND THE NOTES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

(1) *INTEREST.* Calpine Corporation, a Delaware corporation (the "Company"), promises to pay interest on the principal amount of this Note at 4.75% per annum from November 14, 2003 until maturity. The Company shall pay interest semi-annually in arrears on May 15 and November 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "Interest Payment Date"). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be May 15, 2004. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the May 1 or November 1 next preceding the Interest Payment Date, even if such Notes are cancelled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes shall be payable as to principal, premium, if any, and interest at the office or agency of the Company maintained for such purpose within or without the City and State of New York, or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal of and interest, premium on, all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Company or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT, CONVERSION AGENT AND REGISTRAR.* Initially, Wilmington Trust Company, the Trustee under the Indenture, shall act as Paying Agent, Conversion Agent and Registrar. The Company may change any Paying Agent, Conversion Agent or Registrar without prior notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE.* The Company issued the Notes under an Indenture dated as of November 14, 2003, as amended and restated on February __, 2004 (as so amended and restated, the "Indenture") between the Company and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbbb). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

(5) *OPTIONAL REDEMPTION.* At any time on or after November 22, 2009, the Company may redeem the Notes, in whole at any time, or in part from time to time, for cash at a price equal to 100% of the principal amount of the Notes plus accrued and unpaid interest (and Liquidated Damages, if any) up to but not including the date of redemption. The Company will give not less than 30 days' nor more than 60 days' notice of redemption by mail to Holders of the Notes. If the Company opts to redeem less than all of the Notes at any time, the Trustee will

select or cause to be selected the Notes to be redeemed by any method that it deems fair and appropriate. In the event of a partial redemption, the Trustee may provide for selection for redemption of portions of the principal amount of any Note of a denomination larger than \$1,000.

(6) *MANDATORY REDEMPTION.* The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *REPURCHASE AT OPTION OF HOLDER.* (a) If a Change in Control occurs, each Holder of Notes shall have the right to require the Company to repurchase all or any part (equal to \$1,000 or an integral multiple of \$1,000) of that Holder's Notes pursuant to the terms set forth in the Indenture. The Company shall deliver to each holder that has delivered to the Paying Agent an irrevocable written notice of purchase: (i) a payment in cash equal to the issue price of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest (and Liquidated Damages, if any) on the Notes repurchased (the "Change in Control Purchase Price"), to but excluding the date of purchase or (ii) at the Company's option, the Change in Control Purchase Price in shares of Common Stock valued at 95% of the Market Price. Within 30 days following any Change of Control, the Company shall mail a notice to each Holder as required by the Indenture. (b) Holders have the right to require the Company to repurchase all or a portion of their Notes on November 15, 2009, November 15, 2013 and November 15, 2018. The Company will be required to repurchase any outstanding Notes for which Holders deliver a written repurchase notice to the paying agent. This notice must be delivered during the period beginning at any time from the opening of business on the date that is 20 Business Days prior to the repurchase date until the close of business on the last Business Day prior to the repurchase date. If the repurchase notice is given and withdrawn during the period, the Company will not be obligated to repurchase the related Notes. The repurchase price payable will be equal to 100% of the principal amount of the Notes plus any accrued and unpaid interest (and Liquidated Damages, if any) to such repurchase date. The Company may choose, in its sole discretion, to pay the repurchase price in cash or shares of its Common Stock, or a combination of cash and shares of its Common Stock.

(8) *NOTICE OF REDEMPTION.* Notice of redemption shall be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address. Notes in denominations larger than \$1,000 may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed. On and after the redemption date interest ceases to accrue on Notes or portions thereof called for redemption.

(9) *CONVERSION.* Upon satisfaction of the conditions set forth in Section 10.01(a) of the Indenture, a Holder of a Note may convert any portion of the principal amount of any Note that is an integral multiple of \$1,000 into cash and fully paid and non-assessable shares (calculated as to each conversion to the nearest 1/100th of a share) of Common Stock in accordance with the provisions of Section 10.14 of the Indenture. Such conversion right shall commence on the initial issuance date of the Notes and expire at the close of business on the Business Day immediately preceding the date of Maturity, subject, in the case of conversion of any Global Note, to any Applicable Procedures. The Conversion Price shall, as of the date of the Indenture, initially be \$6.50. The Conversion Rate shall, as of the date of the Indenture, initially be 153.8462. The Conversion Rate will be adjusted under the circumstances specified in the Indenture.

(10) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in denominations of \$1,000 and integral multiples of \$1,000. The transfer of

Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(11) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as its owner for all purposes.

(12) *AMENDMENT, SUPPLEMENT AND WAIVER.* Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the then outstanding Notes and Additional Notes, if any, voting as a single class, and any existing default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes and Additional Notes, if any, voting as a single class. Without the consent of any Holder of a Note, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Company's obligations to Holders of the Notes in case of a merger, consolidation or asset transfer, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any such Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act, to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture, to conform the text of the Indenture or the Notes to any provision of the Description of the Notes section of the Offering Circular to the extent that such provision of the Description of the Notes section of the Offering Circular was intended to be a verbatim recitation of a provision of the Indenture or the Notes and add covenants that would benefit the Holders of Notes or to surrender any rights the Company has under the Indenture, *provided* that no such waiver or amendment shall adversely affect the right of Holders of Notes.

(13) *DEFAULTS AND REMEDIES.* Events of Default include: (i) default for 30 days in payment of any interest installment due and payable on the Notes; (ii) default in payment of principal of the Notes and accrued interest at maturity, upon repurchase or following a Change of Control, when the same becomes due and payable; (iii) material default in the Company's performance of any other covenants or agreements in the Notes or this Indenture which default continues for 30 days after the date on which written notice of such default is given to the Company by the Trustee or to the Company and Trustee by the Holders of at least 25% in principal amount of the then outstanding Notes; (iv) default by the Company under any instrument or instruments under which there is or may be secured or evidenced any of the Company's indebtedness (other than the Notes) having an outstanding principal amount of \$50,000,000 (or its equivalent in any other currency or currencies) or more, individually or in the aggregate, that has caused the Holders thereof to declare such indebtedness to be due and payable prior to its Stated Maturity, unless such declaration has been rescinded within 30 days; (v) default in the payment of the principal of any bond, debenture, note or other evidence of the Company's indebtedness, in each case for money borrowed, or in the payment of principal under any mortgage, indenture, agreement or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness of ours for money borrowed, which default for

payment of principal is individually or in an aggregate principal amount exceeding \$50,000,000 (or its equivalent in any other currency or currencies) when such indebtedness becomes due and payable (whether at maturity, upon redemption or acceleration or otherwise), if such default shall continue unremedied or unwaived for more than 30 days after the expiration of any grace period or extension of the time for payment applicable thereto; and (vi) certain events of bankruptcy, insolvency and reorganization of the Company. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes shall become due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default if it determines that withholding Notes is in their interest, except a Default or Event of Default relating to the payment of principal or interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required upon becoming aware of any Default or Event of Default under clauses (3) through (5) of Section 6.01 of the Indenture, to deliver to the Trustee a statement specifying such Default or Event of Default.

(14) *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

(15) *NO RECOURSE AGAINST OTHERS.* A director, officer, employee, incorporator or stockholder, of the Company as such, shall not have any liability for any obligations of the Company under the Notes, the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

(16) *AUTHENTICATION.* This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(17) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(18) *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.
